## Switalski-Notte Join In Fight Against Cancer

*Event to raise money to find cure for cancer*

**(Lansing)**- State Senator Michael Switalski (D-Roseville) and Sterling Heights Mayor Richard Notte are teaming up to raise money for the American Cancer Society for the annual Relay for Life walk-a-thon fundraiser in Clinton Township.

“We are pleased to participate again this year after a very successful event last year,” said Senator Switalski. “Last year, our team raised over \$5,000 in the fight against cancer. This year we hope to at least meet and hopefully exceed that amount.”

The Relay for Life is a 24-hour walk-a-thon with at least one member of each relay team staying on the track at all times.

“Cancer is an illness that affects everyone in some way,” said Switalski. “Someone you may know, a loved one such as a family member or friend, could have cancer sometime in their life. Anything that we can do to help find a cure is important and I urge everyone to come out and participate to help make that a reality.”

The Relay for Life of Clinton Township will begin on May 22 at 10 a.m. and will end on May 23 at 10 a.m. The annual event will be held at Chippewa Valley High School, located at 18300 19 Mile Road in Clinton Township.

“Cancer is the second leading cause of death in the United States of America, so any contribution in the fight against cancer is helpful and greatly appreciated,” said Switalski. “This is an excellent cause and I am glad to be participating.”

If you would like to help, Senator Switalski will be collecting donations in support of the “Relay for Life”. Checks can be mailed to: Relay for Life, c/o Senator Michael Switalski, 28311 Utica Road, Roseville, MI 48066.
